## School Digital Citizenship Plan 2025-26

### Relevant contextual information about your school and School Development Plan:

- School has moved from a K-9 to a 4-9 school this year and a 5-9 for the next year.
- School Development plan focuses on literacy across the disciplines. How can we create authentic task design that meets students needs academically, socially, and emotionally.

### Relevant evidence and data that informs your Digital Citizenship Plan:

- We have noticed an increase in the respectful use of technology in our student population.
- We have noticed an decrease in the abuse of our personal device policy over the school year.
- We have discovered a need to inform staff and students about the appropriate use of AI technology.

School Digital Citizenship Plan						Progress		
Long Term Goal (e.g. spanning 8-10 months)	Competency (may be chosen from the CBE DC Competencies)	Short Term Goals (in support of the long term goal)	Outcomes	Activities & Resources	Measures	December	January	June
Long term goal	Involved: While online I leverage digital tools to learn, express my creativity and collaborate with others.	Students and staff will be introduced to the positives and negatives of using AI tools.  Students will develop critical thinking skills when using AI.	Students, with input from teachers, will be able to determine when and where to use AI tools that supports their learning and academic integrity.  Teachers will develop confidence applying AI tools.	Task design that includes discussion of AI use.  Modelling by teachers and peers.  Assessment that includes AI proficiency.  Professional learning for staff	Formative and subjective assessments of student research strategies and projects.  Student Surveys (CBE, Our School)	Share with teachers and community.		

				regarding use of AI. Review resources on Digital Citizenship Insite Pages Guest speakers from CPS and experts in the community.				

- **Next Steps & Focuses for the Coming School Year:** Future Goal: Involved: While online I leverage digital tools to learn, express my creativity and collaborate with others.
