January 9, 2026

Dear Parents and Guardians,

The City of Calgary Social Programs implements a 'Family Password' system for pickups of any program participants who do not have permission to walk home on their own. Each family will have their own password, determined by you, which will be required from anyone picking up your child(ren) at the end of programming. This password will replace our current system of asking for photo ID, and it is our hope that this password system will make it easier for families during pickup each day.

Please complete the information below to confirm a password for your child(ren):

Child(ren) Name: _____

School: Elboya School

Family Password: _____

Parent/Guardian Signature:

Date:

Please ensure that you and any other individuals picking up your child(ren) know this password. In the case that the person picking up your child does not know the family password, you or another emergency contact will be called to confirm if your child(ren) can be released to this person. As with all passwords, we ask that you keep this password private and only share it with the people who would need it to pick your child(ren) up.

Should you have any questions about this new process, please do not hesitate to reach out to me at the contact info listed below.

Thank you,
